

Hana Slim Pedal Bin 40 liter, EKO - black

Functional plastic pedal bin with striking stainless steel rim and soft close lid. The slim design and the pedal on the narrow side make it ideal for narrow spaces. The waste bin does not contain an inner bucket, which makes it extra spacious. The wide, overlapping brim keeps the waste bag in place and out of sight. The edge also ensures that the lid can be opened completely for easy cleaning of the waste bin or changing the waste bag. Equipped with built-in wheels at the rear, making the pedal bin easy to move.
